## Drummoynne Public School - Sponsorship Proposal

### Background

Drummoynne Public School is a dynamic Kindergarten to Year 6 school which has been educating local students for over 125 years. We are proud of our record of high academic achievement, and promote a love of learning through a challenging and nurturing environment. We are the largest public school in the Drummoynne and surrounding community with 650+ students incorporating over 400 families.

Our School Fete is our principal annual fundraising event which attracts up to 7000 people from the local area.

### Marketing to the Community

Targeting the areas of City of Canada Bay, Hunters Hill, Haberfield and Leichhardt Council precincts, the Drummoynne Public School Fete will be actively promoted to a population base of over 125,000 local residents. Sponsoring this fete will provide businesses with the opportunity to support their local school and local families.

### Supporting your School

By sponsoring this Fete and helping us to make this the best event possible, you will also be helping the school raise necessary funds towards 3 principal areas:

- Learning enrichment with a focus on additional literacy and numeracy programs to ensure that ALL students, not just those that learning comes easily to, reach their full potential.
- Playground redevelopment to maximise the benefits for all our children to further encourage and ensure our children are engaging in inclusive play and activities.
- Technology enabling our student's access to and experience with up to date facilities.

### Supporting your Community

In addition to raising funds for the school, we will be donating a proportion of the profits to NSW children's charity Stewart House ([www.stewarthouse.org.au](http://www.stewarthouse.org.au)). Each year 1,800 public school children in need attend Stewart House from many parts of NSW. During their stay, children are provided with optometric, dental and medical treatment as well as emotional support. This is balanced with health and educational programs and out of school activities to boost their self-esteem and to promote a healthier lifestyle. Last year we proudly donated enough funds to allow 5 children from NSW to benefit from their 12 day program and have been recognized for our donation at a recent award ceremony.
